About Me

I am a dedicated and creative Frontend Developer with a passion for crafting interactive and visually appealing user interfaces. Proficient in HTML, CSS and Java. I specialize in translating design concepts into seamless and responsive web experiences.

Project

PERSONAL PORTFOLIO

- **Project Description:** Developed a personal portfolio website to showcase my skills, projects, and achievements. This project involved creating a visually appealing website using HTML and CSS. The website includes multiple sections such as About Me, Skills, Projects, and Contact Information.
- **Technologies Used:**
- **HTML:** Structured the content of the website using semantic HTML tags.
- **CSS:** Styled the website to create an attractive layout and Utilized CSS Flexbox and Grid for layout design.

National Service Scheme(NSS) Activities

- **World AIDS Day 2023**

Role Volunteer
Description
Participated in a state-level event organized by Punjab State AIDS Control Society. Gained knowledge about AIDS awareness and engaged in community outreach.

- **Azadi ke Deewane 2024**

Role: Volunteer
Description
Assisted in managing and maintaining order at an event in Guru Nanak Dev Bhawan, Ludhiana, commemorating India's independence.
